MESSAGE FROM

the Chancellor's Desk

I am glad to learn that the **National Law University and Judicial Academy, Assam** is planning to organise **ADUJ-ABHIVEERA**, the Literary-Cultural and Sports Festival of the University. I have been briefed that the festival would encourage and showcase the varied culture of the states of the North Eastern region, apart from that of the other states of the country. This initiative of the University is appreciable as the same would provide a platform not only for creative expression and athletic engagement but also for a lively interaction among students from all over the locality, thereby strengthening the essence of national interaction. Through this festival, we hope to celebrate and acknowledge the richness of our cultural heritage and the diversity of our thoughts and ideas. This fest is a testament to the creativity, talent, and passion of our students. It is events like this that instil me with pride to be the Chancellor of this University and to see first-hand the incredible potential of the student community. I am confident that the students will continue to achieve great things in the years to come.

Wide participation from all corners of the country would infuse élan and vibrance to the event and reinforce the efforts of the institute that has made an all-out effort towards the successful conduct of **ADUJ-ABHIVEERA**. I hope the event brings more laurels to the University.

I encourage all of you to participate in the various activities planned for this fest. Let us all come together to celebrate our cultural roots and inspire each other through our creativity and imagination.

I wish the festival a great success!

Hon'ble Mr. Justice Sandeep Mehta
Chief Justice, Gauhati High Court
Chancellor, NLUJA, Assam

ABOUT ASSAM

Assam is a state that boasts breathtaking scenic beauty, rare flora and fauna, lofty hills, lush tea gardens, undulating plains, mighty waterways, dense forests and much more. The perfect fusion of heritage, tradition, faiths, and beliefs of numerous races has resulted in many festivals in the state, with 'Bihu' being the main festival celebrated with great pomp and grandeur. When it comes to historical tours there are many places to explore in Assam but it's the temples that attract the maximum attention. Especially the famous ones like Kamakhya Temple, Navagraha Temple, Umananda Temple, and Basistha Ashram, each with a charm of its own, and grand epics that further add to the intrigue. Also, historical attractions like Sivasagar, Udharband, Barak Valley and Tezpur bespoke the chapters of the past and have stood all the tests of time.

Assam is abundantly blessed with charming sights and exciting natural scenery, with Kaziranga and Manas Sanctuary being the chief tourist centres famous for the Royal Bengal Tiger, one-horned Rhinos and Golden Langurs. The state also has a large number of tribes, each unique in its tradition, culture, dress, and exotic way of life. Assam's culture is a rich and exotic Tapestry of all. The state owes a lot of its history to the Ahom dynasty, the determined rulers who ruled over the state between the 13th and the 18th century, and Assam has numerous archaeological sites like Da-Parbatia, Madan Kamdev, Agnigarh, Suryapahar, Deoparbat, Ambari excavations, and Moidams. The state has a deep mythological connection too, which can be seen in the form of attractions in Tezpur, the City of Eternal Romance. Assam has a heady mix of nature and history.
