25 March, 2025, Tuesday
Centre for Clinical Legal Education and Legal Aid Cell
NLUJAA**

On 25th March 2025, the Centre for Clinical Legal Education and Legal Aid Cell (CCLELAC) organised a community outreach program to make the local residents aware of the services provided by the Legal Aid Clinic of NLUJAA. The purpose of the campaign was to have direct interaction with the local people and inform them about the presence of the Legal Aid Clinic and how we may help them. The volunteers and teachers explained in detail how the University's Legal Aid Clinic may be helpful to them in helping them resolve their legal matters.

We also asked the residents the legal problems they usually face. Some of them shared their legal issues related to domestic violence and accident-claims. We told them the legal recourse available in such cases. We also got to meet a social worker in that area. He was glad to see us there. We told him how we can work together and spread legal awareness in the area and help people. Overall, the interaction with the people and the drive was successful. The volunteers could communicate in Assamese and Hindi both, and therefore, the interaction with the villagers was meaningful.

The awareness campaign was attended by the following student-volunteers: Hiya Bharali from 4th year, Vasuri Sharma, Ritika Ghosh, Nishika Chauhan and Sneha Kumari from 1st year, and Anupama Das and Biswarupa Das from 2nd year. The campaign was conducted under the supervision of Dr. Kailash Jeenger (Asso. Prof. and member, CCLELAC).
