

A Report on
Door-to-Door Legal Awareness Drive
27 August 2026
Centre for Clinical Legal Education and Legal Aid Cell
NLUJAA

On 27 August 2026, the Centre for Clinical Legal Education and Legal Aid Cell (CCLELAC) conducted a Door-to-Drive Legal Awareness Drive in Madhyam Marg, Amingaon to inform the inhabitants of the nearby areas about the working of Legal Aid Cell of the National Law University and how the Cell can be helpful to them.

The volunteers were mainly from the I Semester and they were led by Dr. Kailash Jeenger. We visited to the households and met the residents. We explained them about the working hours of the Legal Aid Cell, how the Cell may be helpful to them and the availability of services at the Cell. We also informed them about the persons who are entitled to free legal services and how they can avail those services directly from the Legal Services Authorities located in the court premises also. They were happy to find us approaching them door-to-door. Some of them already knew the functioning of the Cell in the University.

The volunteers also had a learning experience. They interacted with the people and tried to understand their concerns. The drive was conducted between 4 and 5 PM.
