## *From the Desk of Vice Chancellor*

At the outset, I congratulate the NSS Unit of National Law University and Judicial Academy, Assam for surmounting the impediments imposed by the COVID-19 pandemic to conduct noteworthy programmes in the year 2021. The spirit of service is not daunted by the constrictions of time and space and the volunteers of the NSS Unit of NLUJA, Assam have amply reflected the same indomitable spirit through their steadfast commitment to their avowed cause.

The National Service Scheme (NSS) seeks to instil the values of community service among the youth of the country and therefore, envisions community service to be a part of the mainstream education system. Education system is expected to hone not just the skills of its students but also their character and probity. The endeavour is to train the young populace of the country to cede self-interest in favour of communal interest, particularly in securing the interests of those at the lower rungs of the society in order that the nation is strengthened from its grass root. A top-heavy system is poised for collapse; therefore, the base of the nation is to be strengthened, in order that national development, in its true essence, can be realized.

I urge upon the volunteers of the NSS Unit of NLUJA, Assam to persevere in their journey and remain committed to their goal of serving the hapless and the downtrodden members of the society. The University harbours great faith in its NSS volunteers and aspires that they shall be able to transform the society, by dint of their selfless service to the underprivileged section.

I commend the mentorship that Mr. Himangshu Ranjan Nath has provided to the NSS Unit of NLUJA, Assam and hope that he continues to lead the team from the front in all its ensuing enterprises.

Prof. (Dr.) V.K. Ahuja  
Vice-Chancellor, NLUJAA

## *From the Desk of Programme Co-ordinator*

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. He always emphasised that students should always keep before them, their social responsibility. According to him, the first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society. Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do “something positive so that the life of the villagers might be raised to a higher material and moral level”. With the above objectives in mind the National Service Scheme (NSS), a platform where students can directly interact with and contribute to the society was created.

The NSS Unit of NLUJAA, consisting of a group of passionate student volunteers who sincerely wishes to work for society, especially towards legal empowerment in the society was established in the year 2019. Although, we have been forced to remain at our respective homes due to the pandemic since 2020, the volunteers of NSS Unit, NLUJAA have been working tirelessly to provide its service to the society with their unique and innovative ideas. I take this opportunity to congratulate all the Volunteers in the occasion of launching a newsletter published in order to highlight the NSS activities conducted for the year 2021 and would also like to extend my sincere gratitude to the NLUJAA authority especially, to the Hon'ble Vice-chancellor Prof. (Dr.) V. K. Ahuja sir for his steering guidance in this regard.

Mr. Himangshu Ranjan Nath  
NSS Programme Co-ordinator  
Assistant Professor, NLUJAA

# WORDS FROM THE CONVENERS

*"Nothing is too small to know and nothing is too big to attempt."*

-William Van Horne

Penning down the words for the First edition of the NSS Magazine feels enthralling. The NSS Unit of NLUJAA has always aimed at being a means for the younger generation to gain insights on the various dimensions of societal life. One of the core values of the NSS Unit is giving our efforts to the society in return for what it has given to us, no matter how small or great the effort is in advancing the society.

Starting off the journey as the volunteers of NSS under the enriching guidance of our seniors to being the ones leading it, one thing which remains constant is that we keep learning. The learning experiences gained through NSS are the stepping stones to keep striving to be a better version of oneself each day.

It is only teamwork that runs a team and brings its fruitful efforts and so does the NSS Unit which works with unity and cooperation and conducts the much appreciated events. In the year 2021, the NSS Unit of NLUJAA pulled off a spectrum of events from webinars to competitions, all because of a collective team effort and the constant support of the NSS Program Coordinator, Mr. Himangshu Ranjan Nath sir who encouraged the unit to give its best.

We extend our heartiest congratulations to the Designs department for pulling off this arduous task in a span of 10 days. It is their effort which made PRADYUT, a dream come true. We acknowledge the contribution made by the NSS volunteers in the making of this magazine.

PRADYUT is a Sanskrit word which means a ray of light. Light signifies hope and assurance. For the past 2 years the world has been under a cloud of grief and sorrow. 2020 and 2021 have been challenging years for all. The unforeseen events that accompanied the global pandemic caught everyone by surprise. We witnessed the devastating effects of COVID-19 pandemic which affected nearly every single household in the world. India too, had a fair share of challenges. At that point of time, it was the people from different walks of life who emerged from all corners of the country and rallied behind the Government to combat the pandemic. These were India's brave hearts! We feel privileged to pay tribute to these frontline workers and healthcare workers who through their spirit of service at this critical time have earned the title of 'COVID Warriors'.

We feel immensely proud to dedicate PRADYUT to these SENTINELS OF THE SOIL, whose efforts and selfless service helped to fade the clouds of grief and showed the world hope and light.

Being a part of the NSS Unit is one of the best experiences and we aspire to uphold the motto of NSS, 'Not Me But You' with a collective team effort.

National flag while being shot three times. She kept crying "Vande Mataram" until her last

ere she even refused to let Pandit Nehru in unless the organisers provided him a ticket.<sup>2</sup>

Rani Srivastava marched with her husband at the front of the Siwan Police Station. When

India is a diverse and a revered culture. No national human would ever want to deny that.  
One could go on till the horizon singing praises of the gems India is proud of. When I get to  
write on such a futuristic topic or rather nationalist to be precise, since my dream of India is  
a part of my intellect and to be sharing this with some entity is a matter of utmost gratefulness  
and the opportunity I would like to cherish.

We for the very legitimate reasons address India as our "motherland". The female  
embodiment of valiant, beautiful and caring. My India of 2047 will be an egalitarian society  
where women shall no longer be intimidated by her actions, her clothes, her freedom. Where  
men shall no longer be expected to be "manly" enough and made to feel so called  
"privilege".

I envision India to be the leading bulwark of talent and perseverance. The true grassroots  
leaders and professionals India is proud of producing shall be the founding members of the  
multibillion-dollar economy and the superpower I aspire India to be. The concept of "brain-  
drain" shall never be an ideal contention for our economic growth.

My dream is to see the nation as one of the leading pioneers of space exploration by 2047.  
From launching rovers to telescopes and with ISRO being the most preferable to partner  
with for some of the leading projects like the recently launched James Webb Space  
Telescope. Potential is limitless.

Lastly, the real warriors, our farmers, the indispensable part of us, to see them prosper  
without their struggles and getting their required share is what I envisage for my India.  
India's hunger index, poverty index has for time immemorial been a contingent on our dear  
farmers. I, as a student, am hopeful about my contentions. I am the future of India and on  
behalf of all the people in sync with my thoughts, take cognisance of my present-day India  
and pledge to work for my dream India wholeheartedly.

## DISCOVERING MY ART STYLE

With time my art style has changed a lot. Before I used to love painting scenery but I wasn't really good with colouring so I tried sketching. But I guess sketching isn't for me, sketching is not something I enjoy. Recently I've been obsessed with drawing Anime Characters and the Chibi version of them and I'm really enjoying it. I've been practicing visual art as well and I've a lot to learn but I don't mind. I really want to know what I actually love and once I find my final art style, I will surely share with everyone

# A Difference

Speaks nothing,  
But there's a difference,  
Difference- in opinion,  
The world of philosophy.

An unsupported solitary man,  
Could never speak,  
There lies the difference-  
The world of power and weak.

Stop wars, being sybarite,  
Because the corpse won't cry!  
Difference in dead innocents  
And living criminals,  
The world of so called 'trust'?

Never the amber light,  
Nor the moon, was yours,  
But there's again days and nights-  
a difference,  
The world of black and white.

The line midway the difference,  
Never was by birth!  
Ever imagine it being blurred,  
The world of grey....

Guwahati, 30 October : With Mahatma Gandhi's famous saying "So long as you do not take the broom and the bucket in your hands, you cannot make your towns and cities clean" in mind , the NSS unit of National Law University and Judicial Academy, Assam organized a short and crisp event on the theme of "Clean India" where all the volunteers of NSS were asked to participate in either picking up waste from their neighborhood or segregating their household waste into biodegradable and non biodegradable bins. They were also asked to share a photo of them doing the same and also request others to be a part of this noble drive. This initiative of the NSS unit received an overwhelming response, where more than 50 volunteers participated in the event along with their friends and neighbors. The incentive was also successful in making people aware of the importance of waste segregation and maintaining cleanliness in their surroundings is on the line of our honorable Prime Minister Shri Narendra Modi's vision of making a clean India under the Swachh Bharat Abhiyan.

# Racism over Humanity

The religion of mine

Became the reason for My Alienation. Nazis are saying

Untouchable Jew Germany is not your nation I wept the first  
time in My Motherland Germany

And Hitler is saying

My blood is impure

My son asks dad

How two sons from a single mother One has pure and one  
has impure Blood.

In the midnight hour when the whole world will fall asleep

Germany will awake to

Put some more humanity in Gas chambers

Student 18 and 20 year old

Kids of 5 years of age suffocating

And going to die

I don't know when my turn will come or my son

Will die in front of my eyes.

thing that I am trying to believe and teach

As there is a sunrise after each sunset There must be any  
life after our death.

The only

my son

At that place, I will make my all dreams true I will send you  
to that world best school Will enjoy the complaint letter of  
his teacher Will meet his mom again in red skies

Will kiss her forehead and Will again sink in her eyes

# ORIGIN OF THE 'MEME'

Aroni Dipto Swami  
Batch of 2026

'THE 21ST CENTURY IS A DIGITAL BOOK.' THIS LINE FROM CAPTAIN AMERICA: THE WINTER SOLDIER IS AN APT DESCRIPTION OF THE TIMES THAT WE LIVE IN. WHEN THE HISTORY OF OUR ERA IS DOCUMENTED, THE CHRONICLES WILL DEFINITELY HIGHLIGHT OUR IMMENSE RELIANCE ON THE INTERNET. THERE ARE SO MANY ASPECTS OF THE WEB THAT WE KNOW ABOUT, BUT FEW ARE AS LOVED AS 'MEMES'. NEW MEME TRENDS ARISE DAILY, BUT WHERE DID THE MEME ITSELF ORIGINATE FROM?

WHILE WE TEND TO THINK OF MEMES AS A PRODUCT OF SOCIAL MEDIA, THE ETYMOLOGY OF THE VERY WORD 'MEME' CAN BE TRACED BACK TO THE CELEBRATED 1976 PUBLICATION THE SELFISH GENE BY RICHARD DAWKINS. SO, THE MEME IS ALMOST AS OLD AS THE INTERNET ITSELF, ALTHOUGH IT WAS PRIMARILY INTENDED FOR THE SPREAD OF CULTURAL INFORMATION. RECENTLY, AN OLD CARTOON FROM 1921 RESURFACED (COURTESY BBC), AND IS BEING CALLED THE FIRST MEME.

BUT NOW, MEMES HAVE LONG SURPASSED THEIR ORIGINAL PURPOSE; THEY HAVE ADDITIONALLY BECOME TOOLS OF HUMOR BY POKING FUN AT THE STRUGGLES AND HUMDRUM OF ORDINARY AND EXTRAORDINARY LIVES. FURTHER, AS OUR DIGITAL FOOTPRINT GROWS, MORE AND MORE AREAS HAVE ELAPSED INTO THE COLUMN OF 'MEME MATERIAL'. IT MAY BE A CELEBRITY STATEMENT ('STRUGGLING' TO RECALL ONE), A TWITTER THREAD, A CARTOON, A SCENE FROM A MOVIE OR EVEN A SIMPLE PICTURE TAKEN AT RANDOM. THE NEW AGE HUMORISTS OR 'MEMERS' AS THEY ARE KNOWN, PROVIDE OUR DAILY DOSE OF LAUGHTER BY CORRELATING TRIVIAL INCIDENTS IN OUR DAILY LIVES WITH THESE TEMPLATES. ALMOST EVERY FRAME OF OUR LIVES HAS BEEN 'MEME'IFIED, AND THAT GIVES US THE SENSE THAT A LOT OF MILLENNIAL PROBLEMS ARE UNIVERSAL.

NOWADAYS MEMES HAVE EVEN BECOME TOOLS OF POLITICAL SATIRE, AND ARE BEING INCREASINGLY EMPLOYED IN POLITICAL CAMPAIGNS AS WELL. THE SOCIAL MEDIA JUNKIE WILL EVEN REFER TO MEMES AS A SOURCE OF NEWS! HOWEVER, EVEN MEMES CREATED FOR THE PURPOSE OF ENTERTAINMENT HAVE HAD THEIR SHARE OF CONTROVERSY AND HAVE EVEN STOKED A FIERY DEBATE ON THE RIGHT TO FREEDOM OF EXPRESSION. THIS, IN CONCLUSION, SHOULD BE A LESSON IN CAUTION THAT RIGHTS ALSO COME WITH RESPONSIBILITIES.

WHILE A DOSE OF ENTERTAINMENT NEVER HURT ANYONE, IT IS IMPORTANT TO NOT GET CARRIED AWAY, LEST WE FORGET OUR PRIORITIES IN THIS HIGHLY COMPETITIVE WORLD.

ENDING THIS ON A HUMOROUS NOTE....

# THE PRISTINE ENVIRONMENT

The river water is dark,  
The air around me poisonous.  
I don't see birds in the sky or hear a dog bark,  
The environment surrounding is dangerous.  
The roads are always jam-packed,  
Everyone has a car, one too many if you ask me.  
A bus would helped, but all ignored the cold fact,  
The ebb and flow of life demanded excess and  
people compiled with glee.  
The streets adorned with wrapper,  
The drains clogged with plastic and used diapers.  
The sight was the norm and people accepted the  
fate,  
As if it was always the case, As if that was the  
nature innate.  
All it took was a little gumption, a little care  
For someone to care enough, for everyone to dare  
To pick up the strewn packets, To restore balance  
purity,  
To undo this insanity, to clear the air.

# बचपन

~Saket Sourav  
Batch of 2025

गुब्बारों से खेलने की उम्र में , मैं बेचने निकलता हूँ  
कुछ बिकते हैं , कुछ नहीं बिकते  
गुब्बारों से खेलने की उम्र में  
मैं बचे हुए गुब्बारों को देख कर रोता हूँ

राह चलते कुछ बच्चे मिलते हैं  
अक्सर अपनी माँ से कहते हैं  
"माँ इनके पास गुब्बारे हज़ार हैं ,इनकी जिंदगी कितनी गुलज़ार है "

उधर घर पर मेरे आने का इंतज़ार है  
पिता जी मेरे खटिये पे बीमार हैं  
मेरी माँ ने चूल्हा जला दिया है  
कोई कैसे बतलाये उनको की घर पर राशन का तो खस्ता हाल है  
मुझे तो अब तक गुब्बारों के बिकने का इंतज़ार है

उधर वो बाबू नीतियां बनाते हैं  
स्कूल जाने वाले बच्चों के बस्तो का वजन घटाते हैं  
इधर मेरे कंधे पे पुरे घर का भार है  
साहब एक दफा मेरी ओर भी देखो  
मेरे जेब में पैसे चार ,ओर घर में लोग लाचार हैं

गुब्बारों से खेलने की उम्र में  
बेचना लगता तो बेकार है  
मगर कितनो में खुशियां बाँटता हूँ खुद दुःख सहकर  
किश्मत का क्या खूब कमाल है

# Experience at NSS NLUJAA

Here at NSS NLUJAA, I came across the wide ranging activities and seminars that are conducted by this unit. It offers us a great opportunity to be part of its activities and I feel great at being a part of it.

- SHIKHAR SRIVASTAVA (Batch OF 2026)

My experience at NSS NLUJAA has been really enlightening and illuminating so far. The kind of exposure that NSS provides is astounding! Being in the PR cell of NSS in NLUJAA, I inculcated great qualities like time management, team spirit, coordination and cooperation in a very short time. NSS NLUJAA provided me with the amazing opportunity to make a report on the lecture delivered by Professor (Dr.) Priti Saxena on the topic "Equality and empowerment through human rights" along with some of my batch mates and seniors. Looking forward to more such enlightening experiences!

# WORDS FROM THE FOUNDING CONVENOR

**Mr. Aditya Trivedi**  
**Founding Convenor**  
**NSS NLUJAA**

I am delighted to write for this novel initiative of NSS unit of NLU Assam to create an e-magazine to cover latest events and updates of the unit. I have been associated with the unit as Advisor after my tenure as Convenor was over and the team's collective hard work is praiseworthy. In this unprecedented time of pandemic also, the unit didn't shrug off its responsibilities and conducted virtual sessions with eminent legal personalities including judges, senior advocates, academicians and professionals. It is well-appreciated that they also collaborated with moot court committee and the Bharat ka Amrut Mahotsav Committee of the university and organized an Intra-University Dispute Resolution Competition. The Kamrup Dialogue is a brilliant initiative taken by the unit, which will be proven one of the best educational dialogues of Northeast India in due course of time.

It is said that youth have the energy to change the direction of wind. Young volunteers of NSS community are contributing their best potential in developing a spirit of legal entrepreneurship. My experience with NSS NLU Assam has been exemplary with the support of administration and faculty members of our university. NSS provides us opportunity to live the motto of 'Not me but you', which makes us a better lawyer as well, as it is said that lawyers are social engineers. My best wishes to the future endeavors of NSS NLU Assam and I will be more than happy to help students in the best way possible.

Best regards,

**Aditya Trivedi**
